PERSONAL:

FULL NAME: FATIMA NOURI OBEIDAT

DATE OF BIRTH: 29/8/1971

PLACE OF BIRTH: Irbid, Jordan

SEX: Female

MARITAL STATE: Single

NATIONALITY: Jordanian

CURRENT POST

- August 9th /2010 till now: Assistant Professor of pathology .
Department of Pathology, Microbiology and Forensic medicine,
Faculty of Medicine/ The University of Jordan.
- August 9th 2010 till now: Consultant- Histopathologist at department
of the Laboratory Medicine and Forensic Medicine/Jordan University
Hospital.

QUALIFICATIONS AND TRAINING:

- 1st July 2008 – June 30th 2010: Visiting Pathology Fellowship-Texas
Medical Canter/United States of America.
 - 15th April 2005: Part I MRCPATH - Royal College of pathologist-
London/United Kingdom.
 - 11th March 2000: Part II Jordanian Board in Histopathology-Jordan
Medical Council.
 - 31st August 1999: Higher Specialization degree in Histopathology-
with a percentage average 3.87/4 (Rating Excellent)- Faculty of post
graduate studies /The University of Jordan-Amman/Jordan.
 - August 1997: Part1 Jordanian Board in histopathology/Jordan
Medical Council.
 - 1st July 1995- 30th June 1999 : Histopathology Resident at Jordan
University hospital –Amman/Jordan
 - 1st July 1994 – 30th June 1995: Rotating Intern at Jordan University
Hospital/ Amman-Jordan.
 - Second Semester of the Academic year1993 -1994: MBBS degree-
with a percentage average 77% rating very good-Faculty of medicine
/The University of Jordan –Amman/Jordan
 - High school degree with a percentage average 95.8% rating Excellent
–Amman/Jordan
-
-

ACADEMIC APPOINTMENTS:

- August 9th 2010 till now: Assistant professor of Histopathology - Department of Pathology, Microbiology and Forensic Medicine – Faculty of Medicine / The University of Jordan.
- 1st November 2006- 30th June 2008: Histopathology Instructor – department of pathology, Microbiology and Forensic Medicine- Faculty of Medicine /The University of Jordan.
- 1st July 2002- 31st October 2006: Histopathology lecturer- department of Pathology- Faculty of Medicine/ Jordan University of Science and Technology (JUST)-Irbid/Jordan.
- July 1999- 30th June 2001: Teaching Assistant-department of Pathology, Microbiology and Forensic Medicine- Faculty of Medicine/ The University of Jordan.

PROFESSIONALS

- 9th August 2010 till now: Consultant in Histopathology -department of laboratory Medicine and Forensic Medicine/Jordan University Hospital.
- 1st November 2006 - 30th June 2008: Specialist in Histopathology department of laboratory medicine and Forensic Medicine/Jordan University Hospital.
- 1st January 2002- 31th October 2006: Specialist in histopathology- department of laboratory Medicine/King Abdullah University Hospital (JUST)-Irbid/Jordan.

ADMINISTRATIVE JOBS

- September 2014- March 2015: Director of the department of the Laboratory Medicine and Forensic Medicine /Jordan University Hospital/Amman-Jordan.
 - 1st September 2013- 3rd March 2015: Chief/Section of Pathology- department of Pathology, Microbiology and Forensic Medicine- Faculty of Medicine/The University of Jordan.
 - 1st September 2013- 3rd March 2015: Head of Anatomic Pathology Lab at department of the Laboratory Medicine and Forensic Medicine/Jordan University Hospital-Amman/Jordan.
 - 1st July 2011- 30th April 2014: Program director/ Pathology Residency program at department of Laboratory Medicine and Forensic Medicine/Jordan University Hospital.
 - 1st September 2013- 31st August 2014: Confident of the department of Pathology, Microbiology and Forensic Medicine-Faculty of Medicine/ The University of Jordan.
 - 1st September 2011- 31st August 2012: Confident of the department of Pathology, Microbiology and Forensic Medicine-Faculty of Medicine/The University of Jordan.
-
-

FACULTY OF MEDICINE COMMITTEES:

- 1st September 2016 till August 2018: Member of the committee of Library-Faculty of Medicine/ The University of Jordan.
 - 1st September 2015- 31st August 2016: Member of the committee of Conferences- Faculty of Medicine/ The University of Jordan.
 - 1st September 2014- 31st August 2015: Member of the committee of considering students' excuses- Faculty of Medicine/ The University of Jordan.
 - 1st September 2013-31st March 2015: Member of the committee of Post graduate studies-department of Pathology, Microbiology and Forensic Medicine-Faculty of Medicine/The University of Jordan.
 - 1st September 2013- 31st August 2014: Member of the committee of considering students' excuses- Faculty of Medicine/ The University of Jordan.
 - 1st September 2012-31st March 2013: Member of the committee of Post graduate studies-department of Pathology, Microbiology and Forensic Medicine-Faculty of Medicine/The University of Jordan.
 - 1st September 2012- 31st August 2013: Member of the committee of Scientific Research-Faculty of Medicine/The University of Jordan.
 - 1st September 2011-31st August 2012: Member of the committee of graduates affairs- Faculty of Medicine/The University of Jordan.
 - 1st September 2007-31st August 2008: Member of the committee of Graduates affairs-Faculty of Medicine /The University of Jordan.
-
-
-

JORDAN UNIVERSITY HOSPITAL COMMITTEES:

- 1st September 2013- 31st August 2014: Member of the committee of credentials, Privileges and Peer review-Jordan University hospital.
- 1st September 2014- 3rd March 2015: Member of the profession ethics committee /Jordan University Hospital.
- 1st September 2011- 31st August 2013: Member of the committee of Morbidity and Mortality/Jordan University Hospital.

TAUGHT COURSES AND SEMINARS

- Introduction to Pathology for second year medical students.
- Pathology of the Respiratory system for third year medical and dental students.
- Pathology for Rehabilitation students.
- Pathology 2 for third year dental students.
- Pathology 1 for third year dental students.
- Pathology of the Nervous system for third year medical and dental students.
- Pathology of the Urogenital system for third year medical and dental students
- Pathology of breast diseases for 3rd year medical students and dental students
- Pathology for Pharmacy students.
- Slide seminars for Pathology residents at Jordan University hospital - Amman/ Jordan.
- Slide seminars for Neurosurgery residents at Jordan university hospital (JUH)-Amman/Jordan
- Slide Seminars for maxillofacial surgery residents at Jordan university hospital (JUH).
- Slide Seminars for Orthopedic surgery Residents at Jordan University Hospital.

MASTER THESIS SUPERVISION

- 2018 ; Co supervisor for master thesis entitled Characterization of the role of proton pump inhibitors as proliferative suppressor and chemosensitization in breast cancer cell lines for the student wrood Ihraiz with(dr Sana' Bardaweel)
- 2017 :Co-supervisor for master thesis entitled “The role of regular G protein signaling 2 protein in dihydrotestosterone-induced epithelial-to -mesenchymal transition of molecular apocrine MDA-MB-453 breast cancer cell line” for student Dana Al-Safadi (with Dr. Mamoun Ahram)
- 2013 :Co-supervisor for master thesis entitled “Silver Nanoparticles toxicity: The size effect” for student Qais Jarrar (with Dr. Abdelkhader Battah)

CONFERENCES

- 2013: 23rd Congress of Pathology organized by the International Academy of Pathology(IAP)-Arab division held in Amman/Jordan.
- March 2010: United States and Canadian Academy of Pathology (USCAP) conference held in Washington, DC/ United states of America.
- October 2016:Arab Simulation Conference in Medical Education /The “ASCME”- held at faculty of Medicine /The University of Jordan.
- 10-12 November Conference held at the *Le Royal Hotel* – Amman/Jordan
- On 10-12 /November 2005:15th congress of Pathology organized by the International academy of Pathology (IAP) –Arab division held in Amman/Jordan.

SCIENTIFIC DAYS:

- 2010: Scientific days of neuropathology for general pathologists by Prof. Fuller, San Antonio, Texas, USA
- 2003: Scientific days of the Jordanian military forces. Soft tissue lectures by Prof. Robin Reid / Amman - Jordan

WORKSHOPS

- February 2017: Open Teaching Resources workshop –Dr.khalaf Al-Tal/The University of Jordan.
- March 2012: Training of residents at Royal Medical Services, To Where?
- 2012: Jordanian Community Workshop on Profession and Work Ethics.
- December 2011: Second Jordanian Workshop about Microsurgery Hands-On, held at faculty of Medicine /The University of Jordan.
- 2010: First Jordanian Workshop about Microsurgery Hands-held at faculty of medicine/The University of Jordan.
- 2010 : Workshop titled Problem based Learning.

THE COURSES I TRAINED

- Training Libyan technicians by giving lectures in collaboration with colleagues and technicians in the Department of Medical Laboratories and Forensic Medicine / University of Jordan Hospital.

SKILLS

- **Language**
 - Native speaker of Arabic
 - Good user of English (IELTS SCORE 8)(Listening 8.5, Reading 8.5, Writing 7,Speaking 7)
- **Computer:** Efficient use of Microsoft Word, Powerpoint, and Excel

MEMBERSHIPS

- January 2017 till now: Member of the technical committee of the Jordan Medical Council.
- August 2014 till February 2017: Member of the Scientific Committee of Jordan Medical council for Pathology and Laboratory Medicine.
- August /2010 - February/ 2016 : Member of the Scientific committee of Jordan Medical council for Forensic Medicine.
- Member of Jordan Medical Association since 1995 till now.
- Member of Jordan society of Pathologists since 2000.

REVIEWER FOR THE FOLLOWING JOURNALS

- August 2010-till now- Jordan Medical Journal, ISSN: 0446-9283
- June 2014 till now: Royal Medical Services Journal
- January 2018 till now: Biomedical research

Examiner:

- 2017: Participating in the evaluation exam for the graduates of schools of Medicine in Jordan
- August 2014 till February 2017: Examiner- Pathology Board/Jordan Medical Council-Amman/Jordan.
- August 2010- February/2016: Examiner-Forensic Board/Jordan Medical Council.
- 2013 and 2014: Participating as examiner in FRCS/Ireland exam held at faculty of Medicine/ The University of Jordan.
- June/2012: Evaluation exam for Forensic Medicine Residents at Ministry of Health /Jordan

FUNDED RESEARCHES:

- February 2013, closed: entitled “Expression of Androgen receptor and its genetic polymorphism in breast cancer” Scientific research Fund, Ministry of Higher Education and Scientific Research. Amount JD 43000 JDs , with dr. Mamoun Ahram , dr Ahmad Suleiman Atwan and Dr Jamal Melhem
- 2013 , closed: entitled “Silver Nanoparticles toxicity: The Size effect” (Master thesis). Faculty of Higher studies for student: Qais Bashir Jarrar, Co-supervisor with dr.Abdelkhader Battah
- 2017. Closed and d entitled :(The role of regular G protein signaling 2 protein in dihydrotestosterone-induced epithelial –to-mesenchymal transition of molecular apocrine MDA-MB-453 breast cancer cell line). “(Master thesis) Faculty of Higher Studies for Student Dana Al Safadi.Co supervisor with dr.Mamoun Ahram.
- 2018 closed: entitled Characterization of the role of proton pump inhibitors as proliferative suppressor and chemosensitization in breast cancer cell lines(Master thesis) Faculty of Higher Studies, for student:Wrood Ihraiz with doctor Sana’a Bardaweel

INVITED SPEAKER:

- 2013: Speaker at the 23rd Conference of Pathology organized by the International Academy of Pathology - Arabic Division about” Extranodal follicular dendritic cell tumor"
- 2011: Second Jordanian workshop about microsurgery hands on, A talk about ‘Nerve degeneration and regeneration’
- 2010: First Jordanian workshop about microsurgery hands on, A Talk about ‘Nerve degeneration and regeneration’.

POSTERS:

- Presented at The Pathology Conference organized by international academy of pathology (IAP) -Arab division in November /2013:
 1. Pituicytoma
 2. Astroblastoma
 3. Giant cell tumor of the kidney
 4. Metastasizing atypical choroid plexus papilloma
- Presented at the Canadian American Academy of Pathology in March 2010 ‘ Anaplastic Meningioma Mimicking poorly differentiated carcinoma, melanoma and sarcoma’

PRESENTATIONS:

- Attending and participating in weekly neuroscience meetings at Jordan University Hospital since 2010 till now
- Presented at the 23rd Pathology Conference held in Amman in November 2013 and entitled “Extranodal Follicular dendritic cell tumor

CONFERENCE PAPERS:

- Epidemiology of brain tumors in Jordan; Extended abstract in ; 15th World Congress of Neurosurgery, 8-13 Sept. 2013, Seoul, Korea, pp.235(2013). Authors: AF Tamimi, I Tamimi,MAbdulaziz, Q Al sabbagh, **F Obeidat**, M Al Hussein.
- A RARE CASE OF BRAIN TUMOR INSIDE A DERMOID : Conference Paper *in* International Journal of Gynecological Cancer 24(9):1101-1101· January 2014 .Authors Yousef Badran, Fatima Obeidat, Mazen Freij, Maysa Khadra.

RESEARCH INTERESTS

1. Breast tumors
2. Brain Pathology
3. Thyroid Pathology
