- The world's largest technical professional organization.
- IEEE, pronounced "Eye-triple-E," stands for the Institute of Electrical and Electronics Engineers (Full legal name).
- IEEE's membership has long been composed of **engineers, scientists, and allied professionals**. These include **computer scientists, software developers, information technology** professionals, **physicists, medical doctors**, and many others in addition to IEEE's electrical and electronics engineering core.
- For this reason the organization no longer goes by the full name, except on legal business documents, and is referred to simply as IEEE.

IEEE Publications

- Highly cited **publications, conferences**, technology **standards**, and professional and educational activities.
- Has more than **5 million documents** in the IEEE *Xplore*[®] Digital Library.
