Amman-Jordan

March 03, 1986

An enthusiastic instructor of linguistics looking to obtain a promising position as an assistant professor at a highly reputable university where I can maximize my teaching and researching experience, training abilities, and student developmental and cognitive skills. A position that offers both a challenge and an opportunity for growth; that uses my skills and enables me to make a positive contribution. A focused, determined, and responsible individual who can work under pressure seeking the opportunity to utilize her extensive background in linguistics and education.

Education

2014-2020	The University of Jordan, PhD Area of Specialization: Linguistics, Lexicography and ESP Dissertation Title: The Effectiveness of Bilingual Dictionaries in English/Arabic Medical Translation. GPA: Excellent
