New Haven, Connecticut 06511

Dear Mr. Awad:

I am happy to inform you that the Degree Committee has recommended you to the Faculty of the Graduate School for the degree of Master of Philosophy to be awarded on May 22, 1978.

At the University Commencement, which will be held on the Old Campus at 10:30 A.M., candidates for the degrees of Master of Arts, Master of Science, and Master of Philosophy will be presented together for their degrees, the group to be called "Candidates for Masters' Degrees." Marshals appointed for the group will go to the platform for the diplomas; the other candidates will remain in their seats.

Although only diplomas for those receiving the Ph.D. will be presented at the Graduate School exercises following the University Commencement, candidates for Masters' degrees will be most welcome at these ceremonies. Those planning to attend are requested to proceed to Woolsey Hall as soon as possible following the Commencement Exercises on the Old Campus.

Diplomas for those receiving the M.Phil. will be mailed during the summer.

Faithfully yours,

Jaroslav Pelikan
